Custom Jerseys  
and Apparel

# ABOUT US

We are hockey players. We grew up playing hockey on the ponds of Michigan. We love this sport, and we can't say enough about the innovation and design that has gone into sticks and equipment over the years. The same, in our opinion, cannot be said about jerseys. Looking around at most rinks and most teams across the US and Canada, we noticed very plain jerseys. It is our mission to design creative, top of the line jerseys for player comfort and style. We are committed to perfection, always pushing the limits with design and fabric. We are happy that you have found us, and we cannot wait to outfit your team in new jerseys and team apparel.

# HOCKEY SOCKS

**Sublimated: \$15/pair**

**Cut & Sew: \$20/pair**

\*Minimum order of 6 unless with Team Order

Now that you have a sweet custom jersey for your team, why not complete the look with custom sublimated socks to match? These socks have velcro tabs on the front and the back of the socks, produced with a moisture-wicking polyester material.

If you want a higher quality sock, upgrade to the endurance cut & sew socks. We cannot sublimated these socks, however the striping will be sewn to the sock with an upgraded, tougher fabric.

## How to Measure

Lay the garment flat with the rear seam down the center of the sock. Measure across the width of the top opening. Then, measure from the opening at the top of the sock to the opening at the ankle.
